

Manifesting 123 Workshop

with author Ken Elliott

A day that will Empower you for the rest of your Life

Do you feel unfulfilled and that the world is working against you? Have you followed other Law of Attraction and Manifesting information and had little or no results? Do you want to change your life for the better?

This is not an ordinary manifesting or law of attraction workshop.

Ken is the author of the new book, "Manifesting 123 ...and you don't need #3". He will present never before discussed information beyond the law of attraction and simplify the entire manifesting process.

Special tools or talents are not necessary.

Over and over, people say it just works!

How would you script your life if you had the chance?

This workshop goes beyond attracting and hoping. You will learn something new: how your thoughts actually take form. With this knowledge you will create and build the desires of your life.

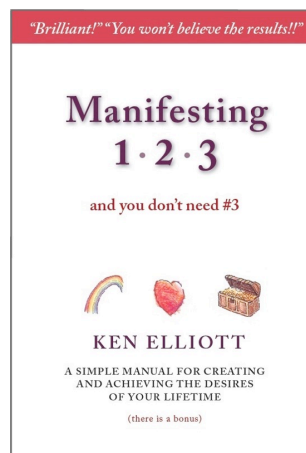

People are saying:

"I've had the pleasure of hearing him speak and demonstrate the power of manifesting, so if you have a chance to take a class, it's like getting "it" instantly."

"Ken speaks of his experiences in a way anyone can understand. He has some great ideas I haven't heard of before and wonderful information to keep in mind everyday."

"This is brilliant! Ken not only learned about manifesting, he changed his own life using the techniques you will learn here. The simple and profound gift of this book could only come from a masterful ability to teach what took him many years to learn. Begin changing your life today." Judy Goodman, CPC, CSRC, CRC
